

Yew Tree Christmas update

Good afternoon from all of us at the Yew Tree. We hope that you are well as the festive season draws near. Thank you for all your support and encouragement as we adapt to continuing covid regulations.

Unfortunately due to our new Tier 2 restrictions much of our festive plans have been once again disrupted. We are all looking forward to the day when we can get back to normal.

As you might have heard we are now limited to tables of only one household inside. We have our covered and heated marquee (thermals suggested as it still gets chilly) available to book for tables of 6 to socialise outside together.

We will also be offering a "5.00 substantial meal" special each day and it will be available all day on Friday, Saturday and Sunday.

Our general opening hours will remain much the same with the exception of Sundays and the Christmas period. We will now be offering our food service on Sundays from 12pm until 6pm only. We will also be continuing takeaways during our normal food service hours. Our December menu will be available shortly.

We will also be offering festive specials with mulled wine and mince pies through December as well as roast turkey each Sunday.

OPENING HOURS FOR THE FESTIVE SEASON

XMAS EVE (thurs) 12 – 11:00pm mince pies, mulled wine & festive cheer.

XMAS DAY – 12 – 18:00pm Set 5 course Xmas lunch (must be pre-booked)

NEW YEARS EVE – to be advised after the government review on the 16th of December! We will definitely be doing something fun!

We look forward to hopefully seeing you all soon!

HAVE A VERY MERRY CHRISTMAS AND A HAPPY NEW YEAR!
